Energy Alloys

TO RUN A SUCCESSFUL BUSINESS
WE RELY ON OUR TEAM FOR SUPPORT

**[When it came to making real estate decisions,
we leaned on CresaPartners]**

“At Energy Alloys, we deliver metals, services and solutions to oilfield equipment manufacturers worldwide. Over the past 12 years, we have grown to 385 employees on 4 continents, providing the right product at the right time to our customers. When we needed a new corporate headquarters, the team at CresaPartners kept our vision in perspective. They evaluated the options and came up with the right solution, so that we could continue creating value for our customers.”
