AS A NATIONALLY ACCLAIMED MUSICAL PRODUCTION COMPANY,
WE NEED SECURE STORAGE FOR OUR COSTUMES & EQUIPMENT

**[CresaPartners found a solution
that we gave a standing ovation]**

“Theatre Under The Stars is a Houston based non-profit company dedicated to enriching life through quality musical theatre and impacting the community with innovative education and outreach. When we needed secure warehouse space large enough to store and provide production area for our scenery, sets and costumes, **CresaPartners** was working in the wings to spotlight lease issues and make sure that the show would go on!”
